

## Bridge 8.0

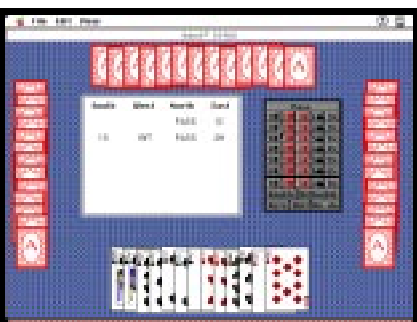

Bridge 8.0 is a complete bridge-playing program in which you and your computer partner bid against two computer opponents and then play out the hand. Bridge 8.0 includes an on-line bridge tutorial covering all aspects of the game. It even has an extensive hint mode that covers all bidding situations. A handy Editor allows you to create specific hands to practice your bidding and play. Bidding is Standard American five-card major with *Stayman*, *Blackwood* and *Gerber* conventions. Improve your bridge skills by playing bridge any time the urge strikes! Bridge 8.0 deals an unlimited number of random hands. Play contract or duplicate bridge. Choose weak or strong 2-bids. Modify your partner's and opponents' bidding styles. Go ahead, make a *pre-empt* bid or a *take out double*, Bridge 8.0 will know what to do!
